

FIRE! FIRE!

Frog and Newt Class have been asked to help investigate different artefacts sent by the **London Museum**. This will lead them into finding out information about **Samuel Pepys** and the **Great Fire of London** in order to help the museum restore their exhibition named **'Fire! Fire!'** They will find out facts about the past through using different sources and discover how important fire safety is and how it has improved in modern times. They will be newspaper reporters, explore timelines and find out what changes were made as a result of the fire. Then they will hold their own exhibition as an outcome.

Children's Challenge

Your challenge is to keep a **weekend diary**. Write about where you go and what you do at the weekends. You could also draw some pictures. **Bring it into school to share with us!**

Parents' Challenge

Your challenge is to talk to your child about **fire safety**. Show your child where the smoke detectors are in your house and show them how you would check that they are working. Talk about how you would call the fire brigade if there was a fire. Try looking at this website www.hantsfire.gov.uk/kidzone.

Joint Challenge

Your challenge is to find out some facts about what life was like in 1666! Find out what the houses were like. **Draw or make a house that would be in London in 1666.** Please bring your house to school on **Monday 29th January**. Try this website www.fireoflondon.org.uk

You are invited to come and see our
Fire! Fire! Exhibition.

Newt Class - Thursday 8th February at 9.10

Frog Class - Friday 9th February at 9.10
