

In a Far Away Land ...

Rationale Mrs Harris and Miss Ferdows were very upset when their parcel of Fairy Tale books, that they had ordered for Year R, got broken and spoilt. They asked for our help. So we decided that we would become authors and illustrators and write our own fairy tales to share with the Reception classes.

We will be finding out about the different features of Fairy Tales to help us write our own stories. We will be looking at the work of Gustav Klimt to explore colour, shape and patterns to help us create a printed front cover for our books.

Outcome

The children will be producing their own fairy tale story book to retell the story of Hansel and Gretel. They will be sharing these with Year R. There will be an opportunity for you to come and read your child's story on

Tuesday 5th December at 2:45pm

Parent's Challenge

Share and read your own and your child's favourite fairy tales together. Talk about how the story starts and ends, who the characters are and what they are like and what events happen in the story. These websites may help you:

www.lancsngfl.ac.uk/fairytalesland

www.topmarks.co.uk-fairytales

PurpleMash—Topics—Traditional Tales

Children's Challenge

Become an illustrator and draw or make a picture of your favourite character. Then choose some adjectives to describe your character and write them down.

Bring these to school to share with your friends by

Friday 1st December
