During the first 2 weeks, we will be busy getting to know each other and settling into the routines of Year 1. To help us with this we ask that your child comes prepared with a named uniform, P.E kit, water bottle.

As the weather becomes colder, please also ensure that any coats, gloves, hats or scarfs are clearly named.

Now that your children are in Year 1, it is the perfect time to encourage them to be more independent. You can start to do this by allowing them to dress and organise themselves in the morning and letting them enjoy walking to their classrooms with their friends. There will always be someone to greet them!

Please ensure you regularly check the website as we will be adding important dates and information throughout the year. Thank you!
